COLLECTION 2018

COMFORT ◦ STORAGE ◦ PROTECTION ◦ PERFORMANCE

A few years ago, a group of designers with a great deal of sailing experience got together with a team of marketing professionals and decided to work on a series of new products: innovative products for sailing yachts and motor boats that can be used for storage, for increasing comfort and for protecting valuables. Blue Performance stands for boating equipment and accessories designed with the greatest of care. The products are functional, durable, extensively tested and always designed in harmony with each other. At the introduction of the first series of products at the largest international watersport trade fair, the products were immediately received with favour by the specialist trade and consumers. Everybody has embraced the new brand and the products have been given various design awards. Thanks to continuous innovation, we are developing new products to the assortment and improving existing products. Blue Performance stands for Comfort, Storage and Protection. Handy and durable products, in the harbour or on the water.

We hope you enjoy using the products that we have developed for you.

Comfort

HAMMOCK WITH FORESTAY SUSPENSION

Superior design gives this hammock its marine credentials.

Features

- Mesh centre panel for cool comfort
- Reinforced hem for durability
- Webbing panels for strength

Easy to Use

- 1 Attach one end of the hammock to the spinnaker pole ring on the mast (or a halyard) using the softshackle supplied.
- 2 On the other end, a saddle folds around the forestay (or attach it to a genoa halyard and fix this to the toe rail with a short rope).
- 3 Relax.

Code	Dimensions (L x W)	
	mm	inches
BP190	2100 x 1200/1000	82.7 x 47.2/39.4

BUNK NET

Just the thing to stop you rolling out of bed or store equipment in rough weather.

Features

- Ripstop nylon reinforced with nylon webbing and polyester borders
- Two mesh everyday bags, perhaps for glasses and a watch
- 170cm x 53cm with 37cm straps on the bottom edge

Easy to Use

- 1 Bunk Net features five equally spaced straps hanging from the bottom edge. These tuck under the mattress and can be screwed down through the conveniently spaced drill holes.
- 2 At night, tie the Bunk Net D-rings to the cabin sides and in the morning stow it under the mattress.

Code	Dimensions (L x H)	
	mm	inches
BP600	1700 x 530 + 370	66.9 x 20.9 + 14.6

SEA RAIL COVER

Sea rail covers make hiking out or leaning on the rails more comfortable.

Features

- Outer cover of Blue Performance Ripstop with Velcro closure over the full length
- Mid-layer of durable foam
- Inner core of clear flexible plastic tube, spiral cut, to protect the foam mid-layer

Easy to Use

- 1 Thread the wire of the rail through the inner core and foam mid-layer.
- 2 Fit the Ripstop cover over the foam mid-layer.
- 3 Fasten each end of the cover with a draw string to prevent sliding.

Code	Size	Dimensions (L)	
		m	feet
BP865	STANDARD	1	3.3
BP866	LONG	1.5	4.9

SAIL CLIPS

3 PIECE SET

Tie your main to the boom. Attention to detail make these sail ties the best you can get.

Features

- The webbing sleeve design features integral shock cord to gather the sail after clipping
- Clip size is printed on the buckle padding and colour coded on its end
- Easy to use
- Each Sail Clip has a quick release, slide adjustable buckle

ROPE CLIPS

PAIR

Tidy storage for ropes, garden hoses and extension cords. Also handy in and around the house.

Features

- The loop is reinforced by a cord threaded through the tube
- Tags on the loop assist easy release
- Mildew and UV resistant webbing

Easy to Use

- 1 On installation, screw the Rope Clip in place.
- 2 Once fitted, pass the strap through the rope coil and clip the loop over the screwed fitting.
- 3 Adjust the webbing length with a slide buckle

INSTALLATION OF BLUE PERFORMANCE COCKPIT BAGS

Blue Performance cockpit and bulkhead bags are clipped on to small white hooks screwed into the boat. Bags can be removed easily for stowage.

1 Choose the right location on board

2 Using the drill pattern supplied drill four 3mm holes in the boat for each corner position.

3 Screw the small white Blue Performance hooks in place, using the countersunk screws provided.

4 Place upper loops on upper hooks.

5 The back of each product has loops in each corner. Hang the top two cord loops over the hooks and stretch the two bottom elastic loops over the lower hooks.

6 The elastic loops hold the bag securely in place and are tagged to assist clipping them on and off.

HOW TO SET UP YOUR BLUE PERFORMANCE SUNSHADE

Blue Performance Sunshades can be suspended from a halyard anywhere you like on a yacht.

1 Unpack the sunshade and batten sections.

2 Assemble both battens.

3 Guide the battens through loops and seat in each corner. Make sure the battens are crossed.

4 Tension the batten and force the tip in the corner pocket.

5 Suspend the sunshade from its centre ring with a halyard.

6 Fix its position using the corner cords attached to the railing.

HOW TO INSTALL YOUR BLUE PERFORMANCE SAILCOVER

The Blue Performance Sailcover protects your mainsail from the sun and sea.

1 Place the cover over the mainsail.

2 Pull the zipper together and close.

3 Fix the cover around the mast with the Velcro straps. Fasten with the buckle.

4 Define cover length to fit your boom with the separate flap at the rear. Adjust double layer of the flap and fix it with Velcro.

5 Attach the rear end of the cover with cord to the end of the boom.

6 Fasten the cover around the sail with the buckles.

HOW TO INSTALL YOUR BLUE PERFORMANCE BUNKNET

Blue Performance bunknet keeps you from rolling out of bed in rough weather.

1 Remove the mattress.

2 Place the bunknet with silver side up. Check if final height of the bunknet is ok.

3 Choose a hole in the webbing closest to the front edge of the seat. Fix 5 x screw through the webbing.

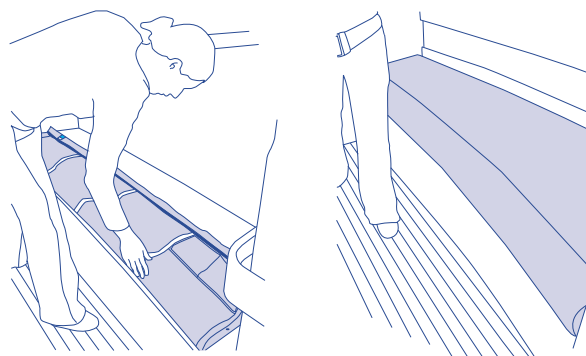

4 Cut the remainder of the webbing in between the stitching and dispose.

5 Make a connection from a fixed point on the boat to the D-rings fitted on the ends of the bunknet.

6 Stow away underneath the mattress when not used.
