MOTOR AND CARGO MATE

MOTOR MATE™

Features heavy duty anodized aluminum, powder coated white for added corrosion resistance. The unit stores in its own 31" x 6" bag. Comes with tackle and will lift anything from the dinghy to the cockpit (or vice-versa) up to 100 lbs. Great for the dinghy motor, but also good for SCUBA tanks, ice, duffel bags, groceries, etc.

The **MOTOR MATE™** uses a **Railfast®** mounted ring on the rail and a "toe" on the cockpit coaming directly under the rail.

- Light-Weight, Portable, Compact
- Ideal for Lifting Outboard Motors, Sea Bags, SCUBA Gear
- Lifting Capacity: 100 lbs. (the weight, approximately, of a 15 hp. Outboard)

Boom length: 20"
Assembled height: 54"
Weight: 12 lbs.

153100 complete set includes Base Mount (15304) Rail Mount (15305) and Vinyl Bag (153109) Also available Cam Cleat Bracket (153130)

CARGO MATE™

This heavy duty white power coated aluminum heavy lifter mounts and dismounts with ease. **CargoMate™** stows neatly in a quality bag, and complete tackle is included. Winch drum capacity provides for 13 vertical feet of lift. With greater lift capacity, the unit should be thru-deck mounted on sailboats and coaming or transom/swim step mounted on power boats. Deck flange and universal base mount provided as standard. 33" column extensions available.

- The Big Brother to Motor Mate™
- Lifting capacity: 250 lbs.
- Integral ratchet type winch provides 15 to 1 lift ratio

Boom length: 34"
Assembled height: 54"+
Weight: 32 lbs.

153200 complete set includes Storage Bat (153209) and Deck Mounting Flange (153230). Also available 33" Extension Tube (153207 and Power Boat Mounting Ring (153233).
