Tea Tree Power®

It's Your Air – Make It Healthy!

Tea Tree Power® is an all-natural blend of pure Australian Tea Tree Oils. Considered “essential oils”, **Tea Tree Power®** diffuses them airborne through an evaporative release allowing the natural antiseptic and antifungal properties of the oils to interact and neutralize impurities such as molds, bacteria and some viruses.

Easy, Long-Lasting Odor Control

- Open the lid, remove inner liner, replace the lid and set on a flat surface. The Gel evaporates to work fast and efficiently.
- Then gel remains effective for 45-60 days after full evaporation.

Sized to Fit Your Life

- One 2 oz of gel protects up to 200 sq. ft.
- One 4 oz of gel protects 400 sq. ft.
- One 8 oz of gel protects 800 sq. ft.
- One 16 oz of gel protects 2000 sq. ft.
- 2, 8 & 16 oz mist/spray disinfects & protects air & surfaces
