

TRI REACHER WHISKER POLE

#408200 (UPC #02802619071-0)

This telescoping pole unleashes the maximum versatility of your asymmetric headsail. Sail deeper and faster in light to moderate winds (to 12 knots true) on boats 30 – 40 feet LOA. “UTS” inboard end works with Forespar’s T-125-S (#333004) mast cars or fixed mount toggle (see below).

The Tri Reacher Whisker pole collapses to just 8 feet for easy storage and telescopes to 21 feet! Weight is just 17 pounds and ships via UPS.

FIXED MAST TOGGLE OR FC-FLANGE

(FOR USE WITH THE TRI REACHER WHISKER POLE)

#333025 – TOGGLE PIN (UPC #02802619072-7)

#332025 – FC-FLANGE (UPC #02802619096-3)

A simple and sound solution for setting downwind poles without the expense of a fully adjustable track and car system. For boats to 40 feet LOA.
